Argumentation-Base
Issue: Do you need a dividing line?
Answer: Yes.
Arguments: A dividing line provides a nice illustration for correlation..
correlation -> (dividing-line-p)
Specification
Illustrate the correlation of the two values.
Specification-linking rule
correlation -> (horizontal-aixs-p) & (vertical-axis-p) & (diagonal-line-p)
Semantics-Base
(dividing-line-p) -> (horizontal-aixs-p) & (vertical-axis-p) & (diagonal-line-p)
