NeXT Schedule of Courses

Prod. No.	Redwood City, CA	Chicago, IL	Westport, CT	Toronto-Canada
E1038	**Programming NeXT™ Computers** (Prerequisite: Proficiency in C Programming is highly recommended)			
	April 20-24 (123) April 27-May 1 (123)			April 13-17
	May 18-22 (123)	May 4-8	May 18-22	
	June 8-12 (123) June 15-19 (123) June 22-26 (123)	June 1-5		
E1053	**Technical Introduction to Interpersonal Computing**			
	April 6 (123) April 20 (440)			April 20
	May 4 (123) May 12 (440)	May 12 May 18		
	June 1 (123) June 15 (440)			June 22
E1002	**NeXT System Administration** (Prerequisite: Technical Introduction to Interpersonal Computing)			
	April 7-10 (123)			April 21-24
	May 5-8 (123)	May 19-22		
	June 2-5 (123)			June 23-26
E1045	**NeXT System Administration for UNIX® Experts** (Prerequisite: Technical Introduction to Interpersonal Computing)			
	April 21-22 (440)			
		May 13-14		
	June 16-17 (440)			
E1046	**NeXT Computers in a Mixed UNIX Environment** (Prerequisite: NeXT Sys. Admin. or NeXT Sys. Admin. for UNIX Experts, and UNIX System Administration experience)			
	April 16-17 (440)			
	May 28-29 (440)			
E1051	**NeXT System Administration for Service Technicians** (Prerequisite: Technical Introduction to Interpersonal Computing)			
	May 13 (440)			
E1003	**NeXT Hardware Service** (Prerequisite: NeXT System Administration for Service Technicians, and Technical Introduction to Interpersonal Computing)			
	May 14 (440)			
E1000	**Introduction to Interpersonal Computing**			
	April 29-30 (440)			
E1047	**Administering a NeXT Classroom** (Prerequisite: Introduction to Interpersonal Computing)			
	May 1 (440)

Course Quick Reference

E1038 - Programming NeXT™ Computers **$1500**

A four-and-a-half day course enabling programmers to develop software for NeXT computers.

E1053 - Technical Introduction to Interpersonal Computing **$300**

A one-day introduction to interpersonal computing in a NeXT environment for technical users. This class is a prerequisite for "NeXT System Administration for Service Technicians," "NeXT System Administration," and "NeXT System Administration for UNIX® Experts."

E1002 - NeXT System Administration **$1200**

A three-and-a-half day course covering the administration of a network of NeXT computers. Requires "Technical Introduction to Interpersonal Computing" as a prerequisite.

E1045 - NeXT System Administration for UNIX Experts **$900**

A two-day course covering the administration of a network of NeXT computers for experienced UNIX system administrators. Requires "Technical Introduction to Interpersonal Computing" as a prerequisite.

E1046 - NeXT Computers in a Mixed UNIX Environment **$900**

A two-day course that enables experienced UNIX system administrators to incorporate NeXT computers into an existing network of UNIX-based computers. Requires either "NeXT System Administration" or "System Administration for UNIX Experts" as a prerequisite.

E1051 - NeXT System Administration for Service Technicians **$300**

A one-day coverage of basic system administration activities for service technicians. Requires "Technical Introduction to Interpersonal Computing" as a prerequisite. Open only to individuals associated with NeXT Authorized Service Centers.

E1003 - NeXT Hardware Service **$300**

A one-day course covering the skills necessary to troubleshoot and repair NeXT computers and printers. Requires "NeXT System Administration for Service Technicians" as a prerequisite. Open only to individuals associated with NeXT Authorized Service Centers.

E1000 - Introduction to Interpersonal Computing **$350**

A two-day introduction to interpersonal computing in a NeXT environment.

E1047 - Administering a NeXT Classroom **$300**

A one-day course for instructors who will be teaching classes using a network of NeXT computers. Requires "Introduction to Interpersonal Computing" as a prerequisite.

To register or obtain more information, call 1-800-848-NeXT.

If you are calling from outside the U.S. or don't have access to a touch-tone phone, call 510-732-5069.
