To register SpeedyFinder7 and enable the Copying Options open the control panel and click on the

Australia-Icon located in the lower-right corner. Type the number 12398745 (there is no echo on the screen, so be sure to type it right) and press and hold down the command-option-shift key combination. A Register button should appear as long as you hold down the keys (if not, you mistyped the number, simply try again). Click on the register button and a registration dialog appears. Enter a name & company of your choice and as a license number enter 1234567896.
