Seminar Evaluation

Thank you for attending our seminar. Please take a few minutes to fill out the form below and return it to the instructor at the end of the class. This helps us to improve and expand our seminars.

Please describe yourself:

__ Mac User
__ Hyper-Card User
__ Unix User
__ Software Developer

What programming languages are you familiar with?

Have you ever used an object oriented programming environment before? If so, which ones?

Was the seminar worth your time?

What did you find most useful about the Seminar?

Are there any aspects of the seminar you would change?

What other seminars would you like to have at your institution?

__ General Overview of the NeXT system
__ Digital Libraries
__ Mathematica
__ Digital Signal Processor (DSP) Programming
__ Other:
__ Desktop Publishing
__ Additional Programming Instruction

Please list any additional comments on the back.

- Thank you for your time!
