Report of Task Group X3S3.3 to X3S3, 24 April 1991

Task group X3S3.3 met in Raleigh, NC on April 2–4, 1991. The minutes of the meeting are contained in X3S3.3/91-144. A list of the output documents prepared by X3S3.3 at this meeting is attached to this report. X3S3.3 asks X3S3 to review and approve these documents, and to forward them to the destinations indicated on the list.

The task group has reformatted its recommended comments on DIS 10589 (the intra-domain IS-IS routing information exchange protocol), which were originally submitted to X3S3.3 on March 19, 1991 as X3S3/91-xxx (X3S3.3/91-73), to identify each comment as either "editorial", "minor", or "major", in accordance with the instructions received from X3S3. The reformatted comments are contained in X3S3/91-53 (X3S3.3/91-121), and are intended to accompany a "NO" vote.

The next meeting of X3S3.3 will be held in Cambridge, MA on June 4–6, 1991, in joint venue with X3S3.7. The meeting announcement and draft agenda are contained in X3S3.3/91-145.
