

1 This is a short test for CASIO-font

First copy the files `casio.sty` and `ucasio.fd` to path used for L^AT_EX2e. Check about the T_EX source for the syntax of the little style-file. Here are the keys:

funktionkeys      

1. Row    

2. Row    

3. Row      

4. Row      

5. Row
