### 1.1 Slayer's Circle

Slayer's Circle

#### IMPORTANT NOTICE

You may, or may not, be noticing right now that Slayer's Circle has been amputated from the rest of the guide. I am making a point. I found out recently to my absolute horror (really!) that the Slayer's Circle letters I had so far were only part of volume 4, and three other volumes existed! It's tedious enough just to reformat 10 of these letters in a row (there's more to do than you'd think) never mind about 256 of the damn things!

Thinking about this and the fact that the information is usually out of date by the time it's uploaded to Aminet, made me realise how very little I actually use Slayer's Circle, and it makes no sense to keep it if no-one uses it. So if you use it, email me and tell me. Otherwise I'm scrapping it. Slayer's Circle will be deleted entirely if no emails are received by lunchtime on Friday December 1st, 2000. Put into your subject line, something like 'KEEP SLAYER'S CIRCLE' to make sure I read it straight away. Sorry if you think this is a bit harsh. Some people are too afraid to remove redundant features from their guides or programs. Not me, dude.

You need not feel guilt for not using this section. I want to know how many people use it, not how many people think it would be a shame if it goes. But anyway for now, here's the Slayer's Circle newsletters.

Remember, you can always sign up to receive this letter at <http://www.buffyslayer.com>.

Volume 5

Slayer's Circle Vol. 5 No. 2

Dear Slayer's Circle Members,

When a mysterious demon gunning for Buffy accidentally catches Xander in his sights, a bizarre Xander double is born. The evil twin quickly takes over Xander's identity, fooling even Buffy, and lives Xander's life a little too uninhibited! Don't miss an all new episode, "The Replacement," this Tuesday, October, 10 at 8/7c on The WB! To watch a preview, click on the following link (Quicktime 4.0 required):

<http://www.TheWB.com/trailer/buffy/video/buf5031010.html>

When Cordelia has a particularly disturbing vision of Gunn in grave danger, she elects herself as his protector. But when things get out of control, she must face the fact that she can't save him without Angel's help. Don't miss the all new episode of Angel, "First Impressions," this Tuesday, October 10 at 9/8c on The WB! To watch a preview, just click on the following link (Quicktime 4.0 required):

Then, in an all-new episode of Angel, travel back in time and find out what life was like for our favorite demon-slaying vampire back in 1952. And in the present day, Angel has Cordelia and Wesley investigate a mysteriously abandoned hotel in Hollywood, but Angel's allies soon learn that his interest in it is that of a personal nature! Don't miss "Are You Now Or Have You Ever Been," this Tuesday October 3 at 9/8c on The WB!

Can you picture James Marsters acting like anyone but Spike? Well, in our exclusive interview, you can find out what he's like in real life. The WB Questionnaire asks him about everything from his greatest regret in life to what he envies most in the opposite sex! To check out the one-on-one with James Marsters, just click on the following link:

Slayer's Circle #48 - Oh what a night!

Dear Slayer's Circle Members,

Buffy does her best to console Willow when Oz is undeniably drawn to another woman, Veruca. Even after they discover that his attraction stems from the fact that she is also a werewolf, his powerful primitive instincts may be too innate to ignore! Don't miss special guest star Seth Green in an encore presentation of "Wild At Heart" this Tuesday, June 27 at 8/7c on The WB! To watch a preview, visit:

<http://www.thewb.com/buffy/video/buf000627.html>

Cordelia flees her roach-infested apartment in search of another place to live, and Doyle finds her the perfect apartment - until she discovers that the bargain rent comes with a price - the apartment is haunted by a former tenant. Don't miss an encore presentation of "Rm w/a Vu" this Tuesday, June 27 at 9/8c on The WB, right after Buffy the Vampire Slayer! For a preview, go to the following link:

Slayer's Circle #41 - Angel in Sunnydale

Dear Buffy Fans,

Riley and Angel come to blows over Buffy's heart when Angel pays a surprise visit to Sunnydale! Will Buffy go back to her former love, or will she help protect Riley, her new beau? David Boreanaz makes a special guest appearance in an all-new Buffy, "The Yoko Factor," this Tuesday, May 9 at 8/7c on The WB. You won't want to miss this one!

Then stay tuned for an all-new Angel, when Angel gets caught in the middle of a gang war between street kids and vampires, and meets the elusive leader of the vampire hunters, Charles Gunn! "War Zone" airs this Tuesday, May 9 at 9/8c on The WB, right after Buffy The Vampire Slayer.

Sarah Michelle Gellar gave an exclusive interview to Rolling Stone, and if you missed in on the stands, you can get it at TheWB.com! Find out SMG's idea of trend setting fashion, how she relates to her Buffy counterpart, what it's like being a Manhattan native living in L.A.! Just go to: <http://www.thewb.com/news/rsbuffy/circle>.

Last week, Willow decided to stay with Tara after a torn Oz left town. Do you think she made the right choice? The WB would like to know what you think about Willow's new relationship. Drop them an email at [standards@talk.thewb.com](mailto:standards@talk.thewb.com), and don't forget to tell them that you're a Slayer's Circle member.

Slayer's Circle #38 - Birthday Wishes and more

Dear Slayer's Circle Members,

Feeling left out, Giles turns to his old pal Ethan Rayne, but when Ethan turns Giles into a demon, Giles finds himself being hunted down by unknowing Buffy. Will Buffy find out before it is too late for Giles? Find out next Tuesday, April 18 at 8/7c on The WB when the WB airs an encore presentation of "A New Man."

There are two very special dates coming up in the world of Buffy the Vampire Slayer, and we don't want you to miss them! Today, April 12, Nicholas Brendon celebrates his 29th Birthday, and Friday, April 14, Sarah Michelle Gellar (your favorite Slayer) celebrates her 23rd Birthday! And you can send them your birthday wishes in a special Birthday email! Send your birthday emails to Nicholas Brendon at [nicholas@talk.thewb.com](mailto:nicholas@talk.thewb.com), and send your birthday emails to Sarah Michelle Gellar at [sarah@talk.thewb.com](mailto:sarah@talk.thewb.com).

Now, we know this isn't directly related to Buffy the Vampire Slayer, but we know that every fan of Buffy has always wanted to be treated like a movie star, so we thought we'd let you in on this one. The WB has a contest where one winner is whisked away (round-trip airfare included) to Los Angeles, put up at the Regent Beverly Wilshire hotel, provided limo service to dinner at world-famous Spago, and given a tour of The WB Studios! If you've always wanted to be treated like a movie star for a weekend, just visit:

Slayer's Circle #37

Dear Slayer's Circle Members,

Angel makes a surprise visit to Sunnydale to watch over Buffy on a very dangerous Thanksgiving Day. Will Angel be able to protect Buffy from the wrath of the spirits of the Chumash Indians, find out tonight, Tuesday, March 28 at 8/7 on The WB when The WB airs Pangs, part 1 of a two-part Buffy/Angel crossover event! Then stick around for the exciting conclusion on Angel, 'I Will Remember You!'

For those of you who have been waiting for a Buffy video game, the wait is almost over! Fox Interactive has announced that Buffy the Vampire Slayer will be coming to PlayStation, Sega Dreamcast, and PC CD-ROM (What about Amiga? - Ed) in an action-packed game with all the action, fighting, drama and witty dialogue you have come to know and love on the show! The intense 3D game will take you to all of Buffy's favourite haunts, including Sunnydale High, the cemetery and the Bronze. The game is scheduled for a Fall 2000 release, so check your local video game retailers for details, and when we get more news about the release date, you will be the first to know!
