

Memo: Preliminary 2.5" IDE Drives Evaluation  
Date: July 06 1992  
To: Leonard Tramiel, Richard Miller  
CC: Robert Shen  
From: Minna Lai

Manufacturer: Seagate

Models: ST-9052A (40Mb) (Firmware version: 05.05.02)  
ST-9080A (60Mb) (Firmware version: 03.03.00)  
ST-9077A (60Mb) (Firmware version: 02.02.11)

Comments: The ST-9052A and ST-9080A are the low profile versions.  
Two units of each model were tested. There is no problem with  
formatting and no error reported in the write-read-verify test.
