

Registration

Shareware

The copyright of this program remains with the author. This program is distributed on a strictly shareware basis. This means that you may evaluate the program for a period of 30 days. If, thereafter, you intend to keep the program then you must register with the author as a registered user.

In the UK

To register complete the form on page 2 of this chapter and send it, along with a cheque or postal order to the value of ten pounds Sterling, to the author at the address below. In return your registration will be acknowledged and any upgrade or major bug fix will be supplied free if you return your registration disc.

Outside the UK

To register complete the form on page 2 of this chapter and send it, along with a Money Order (Cheques are not acceptable) to the value of ten pounds, to the author at the address below. In return your registration will be acknowledged and any upgrade or major bug fix will be supplied free if you return your registration disc.
