Properties, Events and Distributing

Properties

The following properties can range in value from -32768 to 32767.

Minimum, Maximum

Sets the scrollbar range.

SmallChange

Sets the amount the Value property decreases or increases when the user clicks the scrollbar arrows.

LargeChange

Sets the amount the Value property decreases or increases when the user clicks in the scrollbar.

Value

Get or set the scrollbar's current position.

Events

Scroll

This event is triggered continuously while the user is scrolling.

EndScroll

This event is triggered once the scrolling is completed.

Distributing

As a developer, you may distribute the scrollbar OCX controls with your application to be used in a run-time environment only. The files that may be distributed are SCRLH32.OCX and SCRLV32.OCX. Under no circumstance shall the *.LIC files be distributed to another party. The *.LIC files are your license files and prevent a user of your application from accessing the OCX controls in a development environment.

License Agreement and Order Form

License Agreement and Warranty

You should carefully read the following terms and conditions before using this software. Your use of this software indicates your acceptance of this license agreement and warranty.

This is not free software. You are hereby licensed to use this software for evaluation purposes without charge for a period of 14 days. If you use this software after the 14 day evaluation period a registration fee is required. Unregistered use of this software after the 14-day evaluation period is in violation of U.S. and international copyright laws.

NO OTHER WARRANTIES. To the maximum extent permitted by applicable law, Vision Software disclaims all other warranties, either express or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose, with regard to the software, or the accompanying written materials.

NO LIABILITY FOR CONSEQUENTIAL DAMAGES. To the maximum extent permitted by applicable law, in no event shall Vision Software be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use this Vision Software product, even if Vision Software has been advised of the possibility of such damages.
