The accompanying executable code version of wyUpdate and related documentation (the "Product") is made available to you under the terms of this wyUpdate End-User Software License Agreement (the "AGREEMENT"). If you have purchased a Single User License, one copy of the SOFTWARE may be used, for internal use only, by one single user ("the USER"). If you have purchased a Multiple User License (you specified several copies of the SOFTWARE when you purchased it), the SOFTWARE may be used, for internal purposes only, by the number of USERS authorized at the time of purchase.

The USER MAY: (a) use the Professional edition of the Product (namely wyUpdate Professional Designer) in a company, corporate or organization that makes for-sale products, open source products, or entirely free products; (b) use the Express edition of the Product (namely wyUpdate Express Designer) for open source products or free products; (c) make a copy of the Product for archival purpose only; (d) install the Product on another computer only if the user changes to a different workstation. 2. RESTRICTIONS. The USER MAY NOT: (a) use the Express edition of the Product (namely wyUpdate Express Designer) to create updates or manage versions for "for-sale" products (b) copy and distribute the Product or any portion of it outside of the single wyUpdate Client executable; (c) sublicense, lease, rent, or transfer the Product to another; (d) cause or permit reverse engineering, disassembly, decompilation or alteration of the Product; (e) remove any product identification, copyright notices, or other notices or proprietary restrictions from the Product; (f) copy the documentation accompanying the Product.

3. TERMINATION. If you breach this Agreement your right to use the Product will terminate immediately and without notice, but all provisions of this Agreement except the License Grant (Paragraph 1) will survive termination and continue in effect. Upon termination, you must destroy all copies of the Product.

4. PROPRIETARY RIGHTS. Portions of the Product are available in source code form under the terms of open source licenses (collectively, "Open Source Licenses") at http://wyday.com. Nothing in this Agreement will be construed to limit any rights granted under the Open Source Licenses. Subject to the foregoing, wyDay, for itself and on behalf of its licensors, hereby reserves all intellectual property rights in the Product, except for the rights expressly granted in this Agreement. You may not remove or alter any trademark, logo, copyright or other proprietary notice in or on the Product. This license does not grant you any right to use the trademarks, service marks or logos of wyDay or its licensors.

5. PRIVACY POLICY. You agree to the wyDay Privacy Policy, made available online at http://wyday.com/privacy.php, as that policy may be changed from time to time. When wyDay changes the policy in a material way a notice will be posted on the website at http://wyday.com and when any change is made in the privacy policy, the updated policy will be posted at the above link. It is your responsibility to ensure that you understand the terms of the privacy policy, so you should periodically check the current version of the policy for changes.

6. DISCLAIMER OF WARRANTY. The product is provided "as is" with all faults. To the extent permitted by law, wyDay and wyDay's distributors, and licensors hereby disclaim all warranties, whether express or implied, including without limitation warranties that the product is free of defects, merchantable, fit for a particular purpose and non-infringing. You bear the entire risk as to selecting the product for your purposes and as to the quality and performance of the product. This limitation will apply notwithstanding the failure of essential purpose of any remedy. Some jurisdictions do not allow the exclusion or limitation of implied warranties, so this disclaimer may not apply to you.

7. LIMITATION OF LIABILITY. Except as required by law, wyDay and its distributors, directors, licensors, contributors and agents (collectively, the "wyDay Group") will not be liable for any indirect, special, incidental, consequential or exemplary damages arising out of or in any way relating to this agreement or the use of or inability to use the product, including without limitation damages for loss of goodwill, work stoppage, lost profits, loss of data, and computer failure or malfunction, even if advised of the possibility of such damages and regardless of the theory (contract, tort or otherwise) upon which such claim is based. The wyDay Group's collective liability under this agreement will not exceed the greater of $500 (five hundred dollars) and the fees paid by you under the license (if any). Some jurisdictions do not allow the exclusion or limitation of incidental, consequential or special damages, so this exclusion and limitation may not apply to you.

9. U.S. GOVERNMENT END-USERS.
