

More than 3,000 names of  
famous people through history.  
Most with birthdates

# celebrity dictionary name spellings and birthdays

To use this dictionary, just click on the bookmarks viewer on the top left of the menu bar, and you can browse alphabetically. Alternatively, use the find function by clicking the binoculars, and type in the surname you need. If you know the full spelling (eg, to check a birthdate) then you can type in the person's full name to make the search easier. (eg, to find Jeff Bridges, you must type Bridges, Jeff into the find window)

# About the celebrity dictionary

**This is a demo version of the complete first version of the dictionary, to gauge feedback and build up a list of potential purchasers for the full version.**

**It contains only the first section of the dictionary: A to H**
