

MERCUTIO LICENSE AGREEMENT

IMPORTANT: This is a legal agreement between you (the "Licensee") and Ramon M. Felciano ("Licensor"). It is important that you read this document before opening the enclosed sealed package containing the software (the "Software") or using the Software. By opening the sealed package and/or using the Software, you acknowledge that you have read this Agreement and agree to be bound by its terms. If you do not agree, promptly return the unopened Software and accompanying items to Licensor for a full refund of the amount, if any, paid by Licensee to Licensor for license of the Software.

1. License Grant: Licensor grants you a non-exclusive, non-transferable, limited license to (i) incorporate the Software, in object code only, into a single software program for Macintosh platform ("Licensee Program"); (ii) copy, sublicense and distribute the Software to end-users, in object code only, solely for use with and as part of such Licensee Program, provided, however, Licensor may not under any circumstances grant sublicensees the right to sublicense the Software; and (iii) use the materials enclosed in this package subject to the terms and conditions set forth in this Agreement. Licensee may not sublicense the Software for any use other than for use by end-users with and as part of such Licensee Program. Licensee Program must add to the Software material new functionality for which Licensee is the original author and/or owns all necessary rights. All rights not expressly granted to Licensee herein are retained by Licensor. Any distribution of the Software as part of a Licensee Program by Licensee shall be made only on terms and conditions at least as restrictive as those contained herein. Licensee shall not make any representations, warranties or promises with respect to the Software inconsistent with this Agreement. Licensee shall notify Licensor promptly if Licensee distributes the Licensee Program on CD-ROM or as part of a collection of developer or on-line materials.

2. Ownership: All rights, title and interest to the Software and accompanying materials provided by Licensor are owned by Licensor and are protected by copyright, trademark and trade secret law and international

treaties. You acquire only the right to use and distribute the Software and accompanying materials during the term of this Agreement and in accordance with the terms of this Agreement. Any rights, express or implied, in the Software and accompanying materials other than those specified in this Agreement are reserved by Licensor. You must treat the Software like any other copyrighted material except as otherwise provided under this Agreement. You agree not to remove, deface or obscure Licensor's copyright or trademark notices and/or legends or proprietary notices on the Software and/or accompanying materials. Licensee shall include the following copyright notice in all Licensee program manuals and other end-user documentation: "Mercutio MDEF from Digital Alchemy, copyright © Ramon M. Felciano 1992-1996, All Rights Reserved."

3. License Fee: Licensee shall compensate Licensor by, either:

(a) Paying Licensor the sum of one thousand dollars (\$1,000.00) for the license granted hereunder; or

(b) Providing Licensor with at least one complete copy of each Licensee Program it distributes, including any future versions and/or revisions of such Licensee Program, and including the following text in the "About Box" of the Licensee Program: "Mercutio MDEF copyright © Ramon M. Felciano 1992-1996, All Rights Reserved."

4. Copies and Modifications: You may make copies of the Software and

accompanying materials for distribution only as part of a Licensee Program and/or for back-up purposes, provided that you reproduce and include all copy-right/proprietary rights notice(s) on all copies. You may not nor may you assist another to, modify, translate, convert to another programming language, decompile, reverse engineer or disassemble any portions of the Software. Unless otherwise provided by this agreement, you may not copy the Software and/or accompanying materials. You agree to notify your employees and/agents who may have access to the Software and/or accompanying materials of the restrictions contained in this Agreement and to ensure their compliance with such restrictions.

5. Taxes: Licensee shall be liable for and shall pay all charges and taxes (local, state and federal), including all sales and use taxes, which may now or hereafter be imposed or levied upon the license or possession or use of the Software, excluding, however, taxes based on Licensor's income.

6. Confidentiality: By accepting this license, you acknowledge that the Software and accompanying materials are proprietary in nature and contain valuable confidential information developed or acquired at great expense. You agree not to disclose to others or utilize such trade secrets or proprietary information except as provided herein.

7. Term: This Agreement is effective from the date you open the sealed package and/or use the Software until terminated. Either party may terminate this agreement at any time upon thirty (30) days written notice to the other party. Upon termination of this Agreement, Licensee agrees to then cease all use and distribution of the Software, and to promptly return the Software and any accompanying materials together with any copy thereof to Licensor; provided, however, that termination of this Agreement shall not affect licenses granted to End-Licensees for Licensee Programs prior to

such termination. Notwithstanding the remedy provided above, Licensor may enforce its other legal rights. Sections 2, 4, 6, 8 and 11-15 will survive termination of this Agreement.

8. Assignment: You may not assign, sublicense, rent, loan, lease, convey or otherwise transfer this Agreement or the Software except as otherwise provided by this Agreement. Any unauthorized assignment, sublicense, rental, loan, lease, conveyance or other transfer of any copy of the Software and/or accompanying materials shall be void and shall automatically terminate this Agreement.

9. No Warranty Exceptions: THE SOFTWARE IS PROVIDED "AS IS." TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LICENSOR DISCLAIMS ALL WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF PERFORMANCE OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. YOU BEAR ALL RISK RELATING TO QUALITY AND PERFORMANCE OF THE SOFTWARE, AND ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU. IN SUCH EVENT, LICENSOR'S LIABILITY SHALL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW. No liability shall arise out of Licensor's rendering of technical advice or service in connection with the Software. Licensor does not warrant that the Software will meet your requirements, operate without interruption or be error free.

10. Limitation of Remedies: Licensor's maximum liability for any claim

by you or anyone claiming through or on behalf of you arising out of this Agreement shall not in any event exceed the actual amount, if any, paid by you for the license to the Software. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, LICENSOR SHALL NOT BE LIABLE FOR THE LOSS OF REVENUE OR PROFITS, EXPENSE OR INCONVENIENCE, OR FOR ANY OTHER DIRECT, INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, ARISING OUT OF THIS AGREEMENT OR CAUSED BY THE USE, MISUSE OR INABILITY TO USE THE SOFTWARE, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME JURISDICTIONS DO NOT ALLOW EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

11. Support: Licensor is not responsible for maintaining, correcting any errors and/or bugs in, or helping you to use the Software, and is not required to make available to you any updates, fixes or support for the Software (an "upgrade"). Notwithstanding the above, Licensor reserves the right to replace, modify, alter, improve, enhance or change the Software at any time, in its sole discretion. Any upgrades which may be provided shall be subject to this Agreement, except that if any license is included by Licensor with the upgrade which contains terms additional to or inconsistent with this Agreement, then such additional or inconsistent terms shall supersede the applicable portions of this Agreement when applied to the upgrade. Licensor, in its sole discretion, may agree to provide technical support on such terms and conditions, and for such additional fee as the parties mutually agree upon which shall be the subject of a separate agreement.

12. Governing Law: This Agreement shall be governed by the laws of the State of

California, U.S.A., exclusive of its choice of law principles.

13. General Provisions: If any provision of this Agreement is held to be void, invalid, unenforceable or illegal, the other provisions shall continue in full force and effect. Failure of a party to enforce any provision of this Agreement shall not constitute or be construed as a waiver of such provision or of the right to enforce such provision. If any legal action, including arbitration, arises under this agreement or by any reason of any asserted breach of this Agreement, the prevailing party shall be entitled to recover all costs and expenses, including reasonable attorneys' fees, incurred as a result of such legal action.

14. Export: You agree to comply fully with all laws and regulations of the United States and other countries ("Export Laws") to assure that neither the Software nor its accompanying materials are (1) exported, directly or indirectly, in violation of Export Laws, or (2) used for any purpose prohibited by Export Laws.

15. U.S. Government Restricted Rights: The Software and accompanying materials are provided with RESTRICTED RIGHTS. Use, duplication or disclosure by the government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or the Commercial Computer Software Restricted Rights clause at FAR 52.227-19 subdivision (c)(1) and (2), as applicable.
