1.2 Introduction

Format is a complete replacement for the original Format program (v40.105) in your "SYS:System/" Drawer. Format uses MUI!!!

Format should be 100% compatible to your old Format program.

Some additional features are:

- Fontadaptive, resizable Windows through MUI
 - Drag'n Drop
 - ~nice freely configurable Interface
 - ~Optional formatting without verify!
 - Select-Window for Devices! (WBStart without arguments..)
 - Support for the mfm.device. (CrossDos and CrossMac)
-

- Configuration via Tooltypes

1.3 Installation

Please use the installer-script!

1.4 System requirements

- OS 2.1 (v38) +
- ~MUI 3.0 +

1.5 Compatibility

Format should be 100% compatible to your old Format program.
Format also supports the mfm.device and so it's possible to format CrossDos and ↔
CrossMac Disks.

Inkompatibilities? Bugs? Suggestions? Drop us a few lines!

1.6 Configuration

Format can be configured via Tooltypes.
The following Tooltypes can be used:

```
VOLUMENAME={VOLUMENAME} (e.g. "EMPTY")
```

```
VERIFY=ON or OFF
```

```
TRASHCAN=ON or OFF
```

```
FILESYS=OFS|FFS|INTL|DIRCACHE
```

these options can also be used with CLI!

1.7 Support, Address

Format is Giftware. This program may be freely distributed as long as all files are included and nothing is changed.
If you like this program than be so kind to send us a small Gift. I would suggest to send us 5-10\$.

Use this program at your own risk. We won't take any responsibilities for anything damages.

1.9 MagicUserInterface

This application uses

MUI - MagicUserInterface

(c) Copyright 1993/94 by Stefan Stuntz

MUI is a system to generate and maintain graphical user interfaces. With the aid of a preferences program, the user of an application has the ability to customize the outfit according to his personal taste.

MUI is distributed as shareware. To obtain a complete package containing lots of examples and more information about registration please look for a file called "muiXXusr.lha" (XX means the latest version number) on your local bulletin boards or on public domain disks.

If you want to register directly, feel free to send

DM 30.- or US\$ 20.-

to
