

Welcome

Welcome to WinSettings 97 for Windows 95

Welcome to WinSettings for Windows 95. This is a time-limited Evaluation Version of WinSettings for Windows 95.

WinSettings is a powerful Windows 95 utility program that helps you gain control of Windows. It provides many convenient and easy-to-use tools and features, such as the **Image Changer** for quickly customizing your Desktop, the ability to create **Tray Icons** and **Tray Icon Menus** in the Windows 95 taskbar system tray and to change **Shell Icons** (e.g. the Recycle Bin icon), play background music, and much more.

Important! Please read the [Software License Agreement](#) before using this software.

This Evaluation Version of WinSettings for Windows works for thirty (30) days. It will no longer work afterwards. In order for you to maintain uninterrupted use of WinSettings, you must purchase the full end user license. For [ordering information](#), [dealer inquiry](#), [tech support](#), or other information, please select the corresponding topics.
