Library_Search

1.1 New entries of Libraries

```
 100 new entries since release 33:
```

* amilink.library	1664	2.712	(??.??.97)
* amos.library	47004	2.0	(??.??.??)
* api.library	0	1.0	(??.??.??)
* ardibs.library	0	0	(??.??.??)
* c4dtools.library	63572	1.0	(27.10.96)
* c4dtools.library	62932	1.0	(30.10.96)
* cdrom.library	5564	0.26	(07.05.91)
* cgxbootpic.library	21684	41.7	(16.08.97)
* cgxbootpic.library	98336	41.7	(16.08.97)
* cgxbootpic.library	97468	41.7	(16.08.97)
* cnetc.library	5324	4.1	(??.??.98)
* crouton.library	59788	4.5	(05.12.95)
* DJC.library	1624	86.0	(??.??.??)
* doorlink.library	3320	0.0	(??.??.??)
* dvchart.library	0	1.0	(??.??.??)
* dvtext.library	0	1.0	(??.??.??)
* edit.library	9504	5.0	(??.??.??)
* fsgfx.library	2072	37.0	(06.06.98)

```
* glue.library                    127132              5.68  (15.04.88)
-------------------------------------------------------------------------
* graphics3D.library               36008              13.0  (15.10.98)
-------------------------------------------------------------------------
* graphics3D.library               26496              13.0  (15.10.98)
-------------------------------------------------------------------------
* itools.library                   14796               1.0  (??.??.??)
-------------------------------------------------------------------------
* kfmc.library                       772               3.0  (20.11.95)
-------------------------------------------------------------------------
* lanc.library                     12716               5.1  (??.??.95)
-------------------------------------------------------------------------
* lcdguppy.library                  4836              37.1  (15.11.97)
-------------------------------------------------------------------------
* lcdwindow.library                 7468              37.1  (23.11.97)
-------------------------------------------------------------------------
* lsdetect.library                     0               1.0  (??.??.??)
-------------------------------------------------------------------------
* minloc.library                    1436               2.1  (12.11.93)
-------------------------------------------------------------------------
* mmmgui.library                   67864              20.1  (01.08.95)
-------------------------------------------------------------------------
* neuralnet.library                    0               4.0  (30.08.98)
-------------------------------------------------------------------------
* nhsw.library                     19264             1.133  (07.07.95)
-------------------------------------------------------------------------
* ntpro.library                    47156               7.3  (08.01.94)
-------------------------------------------------------------------------
* null.library                         0                 0  (??.??.??)
-------------------------------------------------------------------------
* pegger.library                   39080               2.0  (25.08.94)
-------------------------------------------------------------------------
* peggersnoop.library               5836               2.0  (25.08.94)
-------------------------------------------------------------------------
* photoworx.library                 7480              27.9  (24.10.94)
-------------------------------------------------------------------------
* proof.library                    91752               1.0  (??.??.??)
-------------------------------------------------------------------------
* rcd.library                      50812              15.0  (11.09.91)
-------------------------------------------------------------------------
* recognition.library               2300               1.0  (06.07.89)
-------------------------------------------------------------------------
* resourceutil.library             14516               2.0  (19.04.94)
-------------------------------------------------------------------------
* retinaemu.library                 1272               2.2  (13.01.95)
-------------------------------------------------------------------------
* retina_r3d.library               12248              40.0  (??.??.??)
-------------------------------------------------------------------------
* rptoasterarexx.port.library       1696               1.1  (??.05.92)
-------------------------------------------------------------------------
* rtgP96.library                   31424              42.0  (07.10.98)
-------------------------------------------------------------------------
* run.library                          0               1.0  (??.??.??)
-------------------------------------------------------------------------
* rusgrammar.library               23352               3.0  (04.05.96)
-------------------------------------------------------------------------
* rxmiamibpf.library               10104               1.2  (22.10.98)
```

```
-----------------------------------------------------------------------------
* simpleasm.library              28748                      1.1   (06.02.94)
-----------------------------------------------------------------------------
* slanc.library                   5700                      5.0   (??.??.95)
-----------------------------------------------------------------------------
* spacebrain.library                 0                        0   (??.??.??)
-----------------------------------------------------------------------------
* startlib.library               48132                      1.0   (??.??.??)
-----------------------------------------------------------------------------
* supergen.library                2892                      1.0   (31.12.87)
-----------------------------------------------------------------------------
* surfsquirrel.library               0                    40.36   (??.??.??)
-----------------------------------------------------------------------------
* tr0.0-translator.library           0                        0   (??.??.??)
-----------------------------------------------------------------------------
* trm.library                    39676                   38.362 (13.08.92)
-----------------------------------------------------------------------------
* uebersetzer.library            10968                     37.4   (25.09.94)
-----------------------------------------------------------------------------
* vapor_update.library           18620                      2.4   (??.??.98)
-----------------------------------------------------------------------------
* videofx.library                 2504                      1.0   (??.??.98)
-----------------------------------------------------------------------------
* wildtools.library              11888                      8.0    (??.??.??)
-----------------------------------------------------------------------------
* wsreq.library                  11720                      1.6   (01.09.93)
-----------------------------------------------------------------------------
* xref.library                       0                     1.20   (??.??.??)
-----------------------------------------------------------------------------
* anAHI-64Voices.library          3792                     1.18   (16.01.96)
-----------------------------------------------------------------------------
* apBenDaglish.library            1296                      1.0   (12.05.97)
-----------------------------------------------------------------------------
* apImpulseTracker.library       18836                     1.13   (01.06.97)
-----------------------------------------------------------------------------
* apMLine.library                 1076                      1.1   (22.11.96)
-----------------------------------------------------------------------------
* apOctaMedSS.library            28840                      1.1   (15.12.96)
-----------------------------------------------------------------------------
* cpu_16c5x.library               5388                      1.0   (19.07.96)
-----------------------------------------------------------------------------
* cpu_16cxx.library               5428                      1.0   (19.07.96)
-----------------------------------------------------------------------------
* cpu_17cxx.library               7792                      1.0   (19.07.96)
-----------------------------------------------------------------------------
* cpu_6303.library               10920                      1.0   (19.07.96)
-----------------------------------------------------------------------------
* cpu_6309.library               29360                      1.0   (19.07.96)
-----------------------------------------------------------------------------
* cpu_6502.library                6604                      1.0   (19.07.96)
-----------------------------------------------------------------------------
* cpu_658xx.library              15696                      1.0   (19.07.96)
-----------------------------------------------------------------------------
* cpu_65c00.library              12776                      1.0   (19.07.96)
-----------------------------------------------------------------------------
* cpu_65c02.library              13112                      1.0   (19.07.96)
-----------------------------------------------------------------------------
```
