A competition, that is what this magazine is mainly about. Each month we will publish the releases of the previous month, together with some information of the artist (& group).

Also we will publish charts on "best pack", "best artist", "best group" and "best art board ever". To compile these charts we need YOUR help. Included in this archive you will find a VOTE-SHEET. Use this vote-sheet to let us know what you think of last months releases. More info on how to vote / where to place the sheet can be found in the vote-sheet [VOTE.NOW] itself.

Please note that you will have the vote for packs release during the current month and NOT for packs released the previous month !!

You will find quite a lot of information on the ascii-art groups in the aRt mAGAZINe. We know for a fact that we do not have a complete list of all groups with all information. It takes a lot of work (a real lot of work ;) to collect the info we need for the aRt mAGAZINe. We have included an ARTIST INFO FORM in this archive. Please do us a favor and fill out the form [ARTIST.NFO], -so- we will be able to publish the correct and latest information regarding your group. More info on how to fill in the form / where to place the form can be found in the form itself.

News, gossip and all kinds of info about the art scene will be published in the mag as well. If you have a contribution (news or a gossip) that you want to see published, use the remarks part in the vote sheet (no adverts!). Please note that you will have to fill out the voters info part if you want anything published. We do NOT publish anonymous contributions!

Well again a lot has happened. Mario and his -5- node board Spirit of Soul joined rOadhOgz as our German Headquarters. Diablo's -3- node board, The PayOff is now rOadhOgz Courier Headquarters. Twister's -2- node board, Flash back has been SHQ as from August 5th. Hybrids -5- node board, Digital Candy is now our UKHQ.

Satan's Fire's board is now besides Apply HQ also Dutch HQ.

The name of rOadhOgz World Headquarters has been changed into iNTER^sECTION, and has now a online ascii ordering service.

The Reaper more or less left the scene, as he realized that his study needs some of his time also ;). Abrupt Descent left rOadhOgz because of inactivity.

One again the vote-doors. Well same old story for the Ami/X version. Crew-One/MyTH has not finished yet the vote-door. Mugshot also is still working on the pCX version. Rapido/XRoadS/CoWS has finished the s/X version of the vote door. The s/X version is in the testing phase and will be released any day. Hopefully together with the /X and the pCX versions!

We need boards that will install the vote-door, so users will be able to vote online. If you are willing to install the door, please leave me a message, -so- we can work things out!

I have received a few messages lately, asking me to boycott an artist (which I will not name). Well I hope to clear things up right now, coz it will be completely out of the question that the aRt mAg will boycott an artist/group/pack or whatever. The magazine is 100% objective.

-So- don't bother us again with dumb question like a boycott!

This issue has been released two days late. After I almost completed the aRt mAg, my HD gave up on me, and I could simple chuck the damn thing. So if anyone is in the possession of a 200+ mb (it's for my 'working' cptr) for FREE ;) ... leave me mail.

[illegible]

Offspring was started in April this year, I had been manager (and sole

active memeber!) of Fine Design for a while and had just started going on a recruitment drive, asking a few of the cool people who had done some nice asciis for me to join. During this time I was also talking with Relief about him and his group of artists joining. There came a month of hectic arrangements, supprises and broken promises. When Relief joined (with Pride) the other ascii artist he had left the scene, however one of the pleasant surprises was that Jedi was intrested in joining, in fact it is he who came up with the name. Next Vietcong joined and the basis of the group was formed, production started on some collections....

-{ The Neatherlands connection.... }-

It was then that my eyes turned to Boondocks, I posted an Offspring add asking for people intrested in joining this ascii group. From this came Zack and Scarface (who had just released his first collection). It was also about this time that Kid Curry joined after making some nice looking asciis for my Dazed & Confused series. It was then that Relief and I decided that we needed some Boards. So I asked my friends Twister, Hybrid and Sal-1 if they would like to become part of Offspring! Twister instantly agreed as did Hyrbid, Sal-1 waited for a little more produciton before agreeing. Mean while Relief had combed his lands for decent boards and found Critical Zone. The board situation was thus for a while. However Relief had a falling out with the Sysop of Critical Zone, so it has been replaced with another board in Denmark and Zillion hours in Finland has joined.

-{ Production Time.... }-

Whilst all this was taking place work was frantically being done (well almost frantically (well slowly (well work was being done!(almost)))) on some productions. The first of these to see light was Vietcongs first Collection for Offspring called "Wanton Destruction". Since that Offspring has seen releases from Pride, Scarface and I. I think that all of our productions have been of good quality and was saddened to see that Pride was quitting the scene, this brings me onto...

-{ The Problems... }-

As I have said earlier to begin with (as it is at the beginning of most groups) it was chaotic with people saying they would join then not joining or people say they wouldn't or they would think about it and it being un known weather they were in or not. However I hope it's not the effect of Offspring but 2 of our members have totally quit the scene, they being Pride and Zack, both of whom I'm sad to see go. However we continue on.

-{ Future plans... }-

Well I am going to terminate my Dazed & Confused series at number 5 (currently I am working on number 4), then I may go to a more traditional way of releasing or I may start a new series, however before that I must complete work on the eagerly awaited co-op project between Red Devil, Tango and I. Vietcong has just started his Books Of Bloods series which promises to bring us more work from one of Offsprings more productive members.

Relief is currently working on the latest issue of the FLush series, which should be released soon. Other than that I can just hope that the members continue with the quality work and enjoy the group, also I hope that at least a few people enjoy viewing work from Offspring members.

-{ Last Words... }-

Okay thanks for reading, apologies to Zen and the Artmag crew for dealying you with the length of time it took me to do this article, see you later.

The following section contains all kinds of information on
ascii groups we could get our hands on. Please note that
we do NOT publish a coder, sysop or whatever non ascii art
related function someone might have as a member. As this is
an magazine for the art scene we have chosen to publish the
artist members only!

If any information is incorrect please let us know, -so- we will be able to correct it in the next issue

 in friendship, and puke on the socalled elite dudes. We will soon
 release some coded prods, and the grt-ascii-dudes will of course
 keep on releasing collies. It looks like I am the most activ artist
 in GRT nowadays, but the rest is always working on stuff too.
 Nup/Pro^Arts is a member of GRT, but I guess he'll keep on releasing
 his collies under the P^A label.

I hope you all keep supporting us with lots of information you think is useful to us. I really hope (for once) that making the next issue will be a lot easier. If you have anything for the mag that you wish to see published, please make sure it reaches me before the end of the month, as things get pretty crazy around that time.

I hope you have enjoyed this issue once again. The next issue will be released around September 4th. Better start painting
