# Chapter 1

## Lamp\_mcc

### 1.1 Lamp.mcc 11.1

Lamp.mcc 11.1 - Copyright © 17-Mar-1997 by Maik "BLiZZeR" Schreiber

Lamp.mcc offers a little lamp which can be used for various purposes. It enhances the programmer's abilities to give more informative feedback to the user and thus just adds another level of communication in your programs!

You can set the color and the type of the lamp at any time.

Lamp.mcc has several special colors which can be configured using a MCP by the user.

See the supplied demonstration program for more details.

The demonstration program compiles fine under MaxonC++ 4.0, SAS/C 6.57 and StormC 1.1.

### 1.2 Requirements

Requirements

Lamp.mcc requires at least version 3.0 of MUI (V11).

It is recommended that you always use the latest version of MUI.

---

## 1.3 Distribution

Distribution

Permission is hereby granted, without written agreement and without license, to make verbatim copies of this package, as long as all according files are kept together and unmodified.

Programmers who want to include Lamp.mcc/Lamp.mcp into their package are hereby allowed to do so, without written agreement and without license, provided that the copyright notice appears in all copies of that software.

Note: You shouldn't include any files of this archive into your program's distribution, but instead let the user get the newest version from the distribution sites himself.

## 1.4 Disclaimer

Disclaimer

There is no warranty for the program, to the extent permitted by applicable law. Except when otherwise stated in writing the copyright holder and/or other parties provide the program "as is" without warranty of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. The entire risk as to the quality and performance of the program is with you. Should the program prove defective, you assume the cost of all necessary servicing, repair or correction.

In no event unless required by applicable law or agreed to in writing will any copyright holder, or any other party who may redistribute the program as permitted above, be liable to you for damages, including any general, special, incidental or consequential damages arising out of the use or inability to use the program (including, but not limited to, loss of data or data being rendered inaccurate or losses sustained by you or third parties or a failure of the program to operate with any other programs), even if such copyright holder or other party has been advised of the possibility of such damages.

The author has no obligation to provide maintenance, support, updates, enhancements or modifications of the program.

All trademarked names used herein are used for the purposes of identification and for the benefit of the trademark holders. No infringement of trademarks is intended. Trademarks remain the properties of the trademark holders.

## 1.5 Copyright

Copyright

[Start of copyright notice]

---

Lamp.mcc/Lamp.mcp and all according files are Copyright © 1997 by Maik Schreiber/IQ Computing.  
Updates are always available at [http://home.pages.de/~bZ/projekte/mcc\\_lamp/](http://home.pages.de/~bZ/projekte/mcc_lamp/)

[End of copyright notice]

Permission for commercial use (this includes both commercial software and shareware) is only given by an extra available commercial license. Contact me directly for this license; it will be individually handed out for your needs.

Permission is hereby granted, without written agreement and without license, to use this software and its documentation for any non-commercial purpose (this includes giftware also), provided that the above copyright notice appears in all copies of that software.

## 1.6 History

History

11.0, 03-Feb-1997:

- first version of Lamp.mcc

11.1, 17-Mar-1997:

- added special color values:
  - MUIV\_Lamp\_Color\_Off - lamp is switched off
  - MUIV\_Lamp\_Color\_Ok - no problems, success
  - MUIV\_Lamp\_Color\_Warning - a warning only
  - MUIV\_Lamp\_Color\_Error - something wrong
  - MUIV\_Lamp\_Color\_FatalError - complete or severe failure
  - MUIV\_Lamp\_Color\_Processing - any program work in progress
  - MUIV\_Lamp\_Color\_LookingUp - looking up a server
  - MUIV\_Lamp\_Color\_Connecting - connecting to a server
  - MUIV\_Lamp\_Color\_SendingData - sending any serial line data
  - MUIV\_Lamp\_Color\_ReceivingData - receiving any serial line data
  - MUIV\_Lamp\_Color>LoadingData - loading any data into memory
  - MUIV\_Lamp\_Color\_SavingData - saving any data onto (hard)disk
- added MCP to allow user to define the special color values
