(A) In general. -- The credit allowable under subsection (a) with the respect to any building for the 1st taxable year of the credit period shall be determined by substituting for the applicable fraction under subsection (c)(1) the fraction --

the applicable percentage which shall apply under subsection (a) for the taxable year to such excess shall be the percentage equal to $\frac{2}{3}$ of the applicable percentage which (after the application of subsection (h)) would but for this paragraph apply to such basis.

(B) 1st year computation applies. -- A rule similar to the rule of paragraph (2)(A) shall apply to any increase in qualified basis to which subparagraph (A) applies for the 1st year of such increase.

(4) Dispositions of property. -- If a building (or an interest therein) is disposed of during any year for which credit is allowable under subsection (a), such credit shall be allocated between the parties on the basis of the number of days during such year the building (or interest) was held by each. In any such case proper adjustments shall be made in the application of

subsection (j).

(A) In general. -- The credit period for an existing building shall not begin before the 1st taxable year of the credit period for rehabilitation expenditures with respect to the building.

(A) 20-50 test. -- The project meets the requirements of this subparagraph if 20 percent or more of the residential units in such project are both rent-restricted and occupied by individuals whose income is 50 percent or less of area median gross income.

(B) 40-60 test. -- The project meets the requirements of this subparagraph if 40 percent or more of the residential units in such project are both rent-restricted and occupied by individuals whose income is 60 percent or less of area median gross income.

Any election under this paragraph, once made, shall be irrevocable. For purposes of this paragraph, any property shall not be treated as failing to be residential rental property merely because part of the building in which such property is located is used for purposes other than residential rental purposes.

(2) Rent-restricted units. --

(A) In general. -- For purposes of paragraph (1), a residential

unit is rent-restricted if the gross rent with respect to such unit does not exceed 30 percent of the imputed income limitation applicable to such unit. For purposes of the preceding sentence, the amount of the income limitation under paragraph (1) applicable for any period shall not be less than such limitation applicable for the earliest period the building (which contains the unit) was included in the determination of whether the project is a qualified low-income housing project.

(B) Gross rent. -- For purposes of subparagraph (A), gross rent --

(i) does not include any payment under section 8 of the United States Housing Act of 1937 or any comparable rental assistance program (with respect to such unit or occupants thereof),

(iv) does not include any rental payment of the owner of the unit to the extent such owner pays an equivalent amount to the Farmers' Home Administration under section 515 of the Housing Act of 1949.

For purposes of clause (iii), the term "supportive service" means any service provided under a planned program of services designed to enable residents of a residential rental property to remain independent and avoid placement in a hospital, nursing home, or intermediate care facility for the mentally or physically handicapped. (ii) In the case of a unit which has 1 or more separate bedrooms, 1.5 individuals for each separate bedroom.

In the case of a project with respect to which a credit is allowable by reason of this section and for which financing is

(i) In general. -- Except as provided in clause (ii), notwithstanding an increase in the income of the occupants of a low-income unit above the income limitation applicable under paragraph (1), such unit shall continue to be treated as a low-income unit if the income of such occupants initially met such income limitation and unit continues to be rent-restricted.

In the case of a project described in section 142(d)(4)(B), the preceding sentence shall be applied by substituting "170 percent" for "140 percent" and by substituting "any low-income unit in the building is occupied by a new resident whose income exceeds 40 percent of area median gross income" for "any residential unit in the building (of a size comparable to, or smaller than, such unit) is occupied by a new resident whose income exceeds such income limitation".

(E) Units where federal rental assistance is reduced as tenant's income increases. -- If the gross rent with respect to a residential unit exceeds the limitation under subparagraph (A) by reason of the fact that the income of the occupants thereof exceeds the income limitation applicable under paragraph (1), such unit shall, nevertheless, be treated as a rent-restricted unit for purposes of paragraph (1) if --

(i) a Federal rental assistance payment described in subparagraph (B)(i) is made with respect to such unit or its occupants, and

(ii) the sum of such payment and the gross rent with respect to such unit does not exceed the sum of the amount of such payment which would be made and the gross rent which would be payable with respect to such unit if --

(I) the income of the occupants thereof did not exceed the income limitation applicable under paragraph (1), and

(II) such units were rent-restricted within the meaning of subparagraph (A).

The preceding sentence shall apply to any unit only if the result described in clause (ii) is required by Federal statute as of the date of the enactment of this subparagraph and as of

the date the Federal rental assistance payment is made.

(3) Date for meeting requirements. --

(A) IN general. -- Except as otherwise provided in this paragraph, a building shall be treated as a qualified low-income building only if the project (of which such building is a part) meets the requirements of paragraph (1) not later than the close of the 1st year of the credit period for such building.

(B) Buildings which rely on later buildings for qualification.

--

(i) In general. -- In determining whether a building (hereinafter in this subparagraph referred to as the "prior building") is a qualified low-income building, the taxpayer may take into account 1 or more additional buildings placed in service during the 12-month period described in subparagraph (A) with respect to the prior building only if the taxpayer elects to apply clause (ii) with respect to each additional building taken into account.

(6) Special rule where de minimis equity contribution. -- Property shall not be treated as failing to be residential rental property for purposes of this section merely because the occupant of a residential unit in the project pays (on a voluntary basis) to the lessor a de minimis amount to be held toward the purchase by such occupant of a residential unit in such project if --

(A) all amounts so paid are refunded to the occupant on the cessation of his occupancy of a unit in the project, and

(B) the purchase of the unit is not permitted until after the close of the compliance period with respect to the building in which the unit is located.

Any amount paid to the lessor as described in the preceding sentence shall be included in gross rent under paragraph (2) for purposes of determining whether the unit is rent-restricted.
