

GENERAL INTERPRETATIVE NOTE

For purposes of interpreting the rules of origin set out in this Annex:

- a) the specific rule, or specific set of rules that apply to a particular heading, subheading, or tariff item is set out immediately adjacent to the heading, subheading, or tariff item;
- b) a rule applicable to a tariff item shall take precedence over a rule applicable to the heading or subheading which is parent to that tariff item;
- c) a requirement of a change in tariff classification shall apply only to non-originating materials;
- d) the expression:
 - heading means the first four digits in the tariff classification number under the Harmonized System;
 - subheading means the first six digits in the tariff classification number under the Harmonized System;
 - tariff item means the first eight digits in the classification number under the Harmonized System as implemented by each Party.
