

Cancer.tiff – Cancer

June 21 to July 22

Sign Number # 4

Ruler - Moon

Element - Water

Quality- Cardinal

Key words - Domesticity, sensitivity, tenacity

Ego - I Feel

Feminine and softness. Motherhood tendency, great feeling, moodiness, touchiness, highly emotional, very protective especially in the family circle. Can become fire and warlike if they feel their offspring is being-attacked. But when confronted themselves they withdraw and hide just like a Crab. Highly domestic and very loyal to their family. Have long memories and collect memorabilia. Saving of all kinds. They like their moneys worth being a water sign, they need to move around.

Health:

Because of emotional, they often suffer from upset stomachs and the digestive system. Worse career mistake taking personal problems to work. Best trait as a cancer is sensitivity to the needs of others. Biggest fault is self centered which can make them appear shy and aloof to others.

Best:

Best partner - Virgo, Scorpio

Best financial advisor - Leo

Best boss - Aries

Best subordinate - Sagittarius

Watch out for Gemini

Decans:

June 22

Most emotional and best leaders.

July 1

Have beautiful instincts, although a certain inferiority complex that most people can not see.

July 2 to 12

Can be terribly mysterious and have a great deal of perception.
