Gemini

May 21 to June 20

Sign number # 3

Ruler - Mercury

Element - Air

Quality - Mutable

Key words - Versatility, nonconformism

Ego - I Think

This sign is a dual sign. If you try to understand a Gemini, you might miss the whole point of ever knowing a gemini. Most of the time do not take these people seriously. Few things stay constant with them except the ability to talk and communicate with others. Very changeable people. Very witty people. Easily bored. Plain spoken. Great ability to make others laugh. They are the communicator of the zodiac. Talent for saying (expressing) what other only think. Can be constructive distant and moody because of dual nature. Never described the same by two people.

All Gemini are extremely brilliant, they will give an air of being smart. Possess a great amount of nervous energy, but short on endurance. Curious, alert, communicative and restless, always

lacking things to do. Flexible, rational, versatile and excel at communications and transportation. Very observant of the emotions of others. Like people. Avid Readers. Serve best as reporter, writer, teacher commentator for radio or T.V Excel at sales advertising, traffic control, driving merchandise, or in any job that require quickness of wit and contact with the public. They understand and accept themselves very well.

Health:

Hands, arms, lungs and nervous system. Should never smoke, weakest lungs. Legs problem or knees because of Sagittarius.

Best:

Best partner - Libra, Aquarius, Sagittarius

Best financial advisor - Cancer

Best boss - Pisces

Best subordinate - Scorpio

Watch out for Taurus

Number one sign in divorce rate.

Decans:

May 21 to 30

The most restless, best writers, best communicator and the least consistent.

May 31 to June 11

Much more decisive than the other gemini, Much more gentle approach. Better ability to balance the dual nature. They have good artistic sense and seems warmer than other decants.

June 12 to 20

The most original of the Gemini thinkers have a certain sense of venture. More daring than others decants. The least understood. They say what they have to say and do not care of impression they leave or what people thinks.
