### **WHAT CAN BE FOUND ON GENie FOR A NeXT COMPUTER USER?**

GENie has a GREAT NeXT support section, including a bulletin board where you can ask questions and get the latest NeXT news bulletins plus a large software library filled with NeXT public domain and shareware applications. We also have a real-time conference section in which the members can interact with each other in real-time (live) to ask questions or simply to shoot the breeze and talk about their favorite computer.

GENie also offers Internet mail capabilities, which is billed on a pay as you use method.
