GPL Ghostscript Print Quality Test Page

3 PASS BLACK

NO BLACK RIBBON

300 lpi   150 lpi   75 lpi
Resolution Test: look for distinct lines

Primaries Test: look for bright vivid colors

Black Test: both blacks should look dark with no color tints

Black Blend Test: look for smooth blend to black

Smooth Shading Test: look for objectionable stairsteps, patterning or graininess

Halftone Pattern Test: look for objectionable patterning, graininess and smooth blend between pastel colors

Registration Test: mis-registration will cause color tints in the gray border (compare several pages)
