

BackDesk Registration

Register **BackMenu** and **BigDesk** *now!*

If you've found that these packages fit in with the way you work, please register and support a struggling research assistant!

For £25, you can register BOTH packages, and receive a nice certificate and two registration numbers to allow you to enter your name or other personal details on the opening windows and About... boxes.

For £10, you can swap an earlier single package registration for a Backdesk package registration.

Just print out the form below, fill in the details and fax it to SP Services on (0703) 550037 (that's +44 703 550037 if you're not in Britain). If you've no fax, either ring the same number and wait patiently for the answering machine, or post the form to:

SP Services
PO Box 456
Southampton,
United Kingdom
SO9 7XG

You'll have to do this if you don't want to pay by credit card, too, but please note we can only accept payment in pounds sterling. We also accept orders by electronic mail to **sphipp@cx.compulink.co.uk** or on **CompuServe** to **100016,1625**; you will get an e-mail reply as soon as the order is received, followed by a registration certificate in the post. *Please supply all the same details.*

Bulk Copies/Site Licenses

If you want to register for a network, or for a mega-corporation, please calculate a fee using the following table. Please use the pro-forma invoice on page 3 if this is required by your accounts department.

For three or more registrations, the price is...

up to 10	30	50	75	100	200	copies
each £20	£17	£15	£12	£10	£9	

Over 200 copies: £1500 one-time charge for first address, then £100 per additional address, or £2000 for an unlimited number of addresses.

Creepy Disclaimer (the small print in big letters)

Don't forget that there are no warranties associated with this software beyond saying that it will do what it says in the documentation. If you manage to mess up your installation and think it has something to do with BackMenu or BigDesk, we're sorry but it only cost £25, didn't it. Now for BIG money we'll give you a warranty. However, *registered users* may e-mail sshipps@compulink.co.uk or CIS 100016,1625 or fax +44-703-550037 and we will do our best to satisfy your requests.

US and other non UK Users!

Please do register! It's really easy; you simply send in your credit card details & address, we debit your credit card in pounds sterling, and the credit card company do all the hard stuff about currency conversion. As a special incentive, there are no extra shipping costs for non-UK orders! If you really cannot avoid paying in a currency other than pounds sterling, please add the equivalent of £5 sterling to the price you send to cover our currency exchange costs.

Just for the record, BackMenu and BigDesk are both © Copyright 1991, Ian Heath; this chatty registration form is entirely public domain.
