

Exchange Rates

If you will be sending us a check that is drawn from a foreign bank, please multiply the amount due by the exchange rate below.

NOTE: Do not send a check drawn on a foreign bank good for US funds. We have to pay a big fee for that. We CAN deposit checks for a foreign currency without penalty. That is the exact opposite of what you would expect, but that is the way it is.

So if you're from France, send us a check for Francs, If you're from England send us a check for Pounds etc... etc...

Australia:

x 1.40 = 1 US Dollar
