

## How To Register

You can register any of my shareware utilities by using the provided "Register Jeremy's Utilities" application.

To handle registrations, I use the Kagi shareware system <<http://www.kagi.com/>>. You can register electronically using a major credit card. Or you can also print out and mail in the registration form with a check or money order (or even your local currency).

### Registering Online (credit card)

If you want to use a major credit card and register via the World Wide Web...

- 1) Point your web browser at <<http://order.kagi.com/?JZ>>.
- 2) Fill out all of the information, including your email address, the program(s) you wish to register, and your credit card information.
- 3) Send the information.
