Description

Taz is dying to devour some coconuts, watch out for any falling from the trees.
Help Sultan get lots of bones. The more you find, the more points you'll score.
The house has been invaded by flies. Kill them all without destroying the place.
Let's play at catching snowballs with a box.
Train your balance and patience getting over this tree-trunk on a motorcycle.
Test your ability, avoiding everything on the screen.
Prove to the flying-squirrels that everyone can fly.
Mickey and Minnie go back in time, and Minnie has been kidnapped.
Confront the shark, swimming from island to island before it can get you.
The animals are arriving at your surgery and it's up to you to attend to them and cure them all.
Clean everything dirty in your path.
Use your reflexes as a toad and eat all the flies.
Use all your will-power to swim up the river.
Defuse the bombs before they can go off.
Fly in the direction of the light.
Hit Tontie when he appears.
Get yourself some grubs to fill your belly – come on, don't be squirmish– this is the normal diet for a spider.
Turn yourself into a skillful pilot, making smooth landings every time.
You are a ghost that is crazy for sweets: get them all before they can fall on the floor.
Keep your eyes wide open and use all your reflexes so as not to let any of the sheep escape.
Climb up to the top of the mountain to start your training as a monk.
Navigate through space, entering the gates.
You have become a star hunter, collecting them in space.
