FREE T-SHIRT

just for installing HawkNet's
NetReport PRO 30 day trial copy

How do I get my free T-shirt?

Just follow these simple steps...

- 1) **Spend 10 minutes and install this free 30 Day Trial on your Novell LAN. Installation instructions are included in your kit.**
- 2) **Print the "Server Information" configuration report.**
 - a. From the NetTune PRO/NetReport menu bar, create a desktop server icon by selecting the OPTIONS:GROUP MANAGEMENT menu choice. Select the "Desktop" icon in the "Groups/Servers" list box and click the ADD button to add servers to your desktop group. Click CLOSE to return to the main menu bar.
 - b. From the main menu bar select INFORMATION:SERVER CONFIGURATION.
 - c. Click on the NETWARE selection in the INFORMATION List box.
 - d. Click on a server to report on in the SERVERS list box.
 - e. Click on the PRINT TOPIC button to print the Server Information report.
- 3) **Fax us the report together with the attached form to (619) 929-9969.**

No Cost * No purchase necessary

So install your FREE 30 Day Trial today!

Offer Expires June 1st, 1995
