First steps:

   First:
                    Heiko Schröder
                     creates LibsGuide, DevsGuide and DTypesGuide.
   Second:
                    Stuart Kelly
                     creates ClassesGuide
21.04.99:
                    Michaela Prüß
                     begin the HandlerGuide

Words about this Guide

This guide is an informationsystem. You find information about the latest known
versions and the authors. You also find, if I know important or additional
informations. But you find nothing about contents, use or installing of them.

        _____

This guide is completly created GuidEd, written and copyright by Linus McCabe, a
MUI based AmigaGuide editor. Take a look for it in the Aminet.

The version compare uses VersCheck, a freeware program, written by myself. You ↵
    find latest version on my
                homepage
                 or in the Aminet.
