

Trans-Form versions 2.0.x REGISTRATION INFOS

When you register your copy of Trans-Form, you receive by email a *serial number* to register the software and remove the evaluation time limit and the shareware nag screen.

Postal order:

To register your copy of Trans-Form you must fill out and print the ORDER FORM in the file: **order.wri or the one inside the Help menu**, and send it with your check, money order or credit card info to:

NPS micro
1748 Marie Victorin
PO Box 99031
Longueuil (Que), Canada
J4G 2S6

Internet order:

If you wish to register online by credit card, go to our [secure online order form](https://www.digiweb.com/~nps/trans-form/s-order.htm) at this web page:
<https://www.digiweb.com/~nps/trans-form/s-order.htm>

Registration Fees:

Prices are **per** licensed copy (1 computer = 1 license).

For example: To use Trans-Form on 5 different computers, total registration fee is: \$125 USD

	<u>US dollars</u>	<u>Canadian dollars</u>
1-10 computers:	\$25 each	\$35 each
11-20 computers:	\$20 each	\$28 each
21+ computers:	\$15 each	\$21 each

We accept:

- personal and cashier checks (drawn on a Canadian or US bank only)
- postal money order (in Canada only)
- bank money orders
- bank drafts
- Credit card (we can only accept Visa for now)

Payment must be in US or Canadian dollars

If a check is returned by the bank as unredeemable, the subscriber will be deemed to be in default, and will be liable for a "returned check" charge of \$25.

Your registration code will be sent to you by e-mail 5-10 days after reception of a personal check, and for money order or credit card orders, within 1 business day.

Any questions about the status of the reception of your access code, registration options, product details, technical support, volume discounts, site licenses, etc., must be directed to:

NPS micro, 1748 Marie Victorin, P.O. Box 99031, Longueuil (Que), Canada, J4G 2S6
or by email to: support@npsmicro.com

Thank you for your interest in our product Trans-Form !
