

Ordering/Registration Information

The size of the full version of **Living Letters** (nearly 11 Mbytes uncompressed), is too large to distribute intact via shareware. But we desired to give the customer a good product for a minimal fee (without distributors fees and store mark-ups). Thus, we chose to distribute a scaled down version (using clip-art rather than real photographs) of **Living Letters** as shareware. We hope we have included enough of the program to give the flavor of the real thing. You are free to use and/or distribute (at no fee, other than a minimal service fee) this scaled down version as long as you'd like. But if you want your children to learn the entire alphabet, you should register and receive the full version.

Features of Full Version:

- All upper and lower-case letters
- 90+ 256-color entertaining photos (with the ability to add your own)
- Over 3 MB of sound files
- 15+ background music files (with the ability to add your own)
- 11 full color background scenes

Additionally, Living Letters coloring sheets and instructions on adding your own words, pictures, and sound files to the program will be sent to each registered user..

Custom Pictures: For a minimal fee, above the normal registration, we will digitize your photographs and incorporate them into the program. We found that children love to find pictures of themselves or something they've seen in the program. With each picture sent, please specify on the back of the picture what word should be displayed with it. (Note: We will return all photographs and they will not be used for any other purposes)

Site License: A site license for Living Letters entitles an organization to receive one copy of the distribution discs and load it on multiple computers (up to the number licensed). This is intended for schools and pre-schools.

Multiple License Order: Groups of families may order together and save shipping & handling costs. Only 1 sets of distribution discs will be delivered. The program can only be loaded on one computer for each license purchased.

Ordering: To order send this form and a check or money-order payable to:

LarKen Software
1009 Knights Court
Bremerton, WA
98311
