- 1 186 Far below this crowded overlook you see waves lapping against the massive
- 1 186 stone pillars of the bridge. An occasional ship or barges passes beneath
- 1 186 you. Far ahead to the east, you can barely make out the Salty Marshes.
- 1 177 You can change the name of this place by typing "@placename".
- 919 178 You can change the description of this place by typing "@placedesc".
