

Media BlastOFF! 1.0

OLE EXAMPLE FOR BlastOFF!

How To Paste Your Animation or Script in a document:

This is a tutorial on pasting a script or animation into your documents or other OLE aware applications.

- 1. In The Edit Menu of your wordprocessor, Select "Insert Object"
Then Select Packager from the list box displayed.**
- 2. Select "File/Import " from the Packager menu and choose the
MEDIA BLASTOFF! script or FLI/FLC file to paste in.**
- 3. Choose Edit/Label to change the caption to be displayed with the icon. You may
also wish to edit the icon to be used at this point.**
- 4. In the Packager choose "Edit/Copy Package"**
- 5. Then place your cursor where you want the Media BlastOFF! icon to be
and Choose Edit/Paste. The Icon will be inserted.**
- 6. Save the file.**
