

You can also choose a border type for your comment by using the radio buttons on the right-hand side of the dialog box. The following border types are available:

- No border
- Plain border
- Shadow border
- Double border
- Thick border

If you finish the dialog box by clicking the "OK" button, the new comment will be placed on the clipboard. You can then paste it anywhere in the model, by using the "Paste" command in the "Edit" menu.

To automatically paste the comment into the current folder window, leave the "Paste comment" checkbox checked.
