

Hi, Dan Sandler here.

Hope you like these graphics. They took me a while to do. If you want to see more of my stuff (much better art, including the wildly popular comic book Captain Jim which may appear in a future Q Software venture), take a look at this document on the World-Wide Web (on the Internet):
<http://www.mbhs.edu/~dsandler/>

If you don't have Web access but you do have Internet mail access, please please please send me email. Send mail to dsandler@goober.mbhs.edu

These addresses are only assured through June '95. After that I will be off to college. I will do the best I can to keep these accounts active, but I make no promises.

Good luck!

Peace.

Dan Sandler
