Hearts
by Ed Fernadez

earts is a fun, fast-paced card game. It's easy-to-learn and, not surprisingly, very popular among college students. If you don't know the rules, just go into the Card Room Lobby, start-up a game, and select Help from the Apple menu.

Hearts on Outland Features:

- Optional Computer Opponents
- All Hearts Game Variations
- Selection of Graphical Personnas to Play As
- Chat Box Allowing Actions & Types of Speech
