Special thanks to the following people for putting up  
with testing thousands of revisions:

Legal Mumbo Jumbo - You need to read it!

First and foremost, whatever we want goes! Whatever you're  
thinking of, it's probably illegal. There is no warranty with  
this application. No implied warranty. No expressed warranty.  
No warranty of any kind! Get it? NO WARRANTY! Okay, uhhmmm,  
oh yeah, this software is freeware (it ought to cost you but  
it doesn't). You may give this application to all of your friends,  
at least the ones you really like. You may post this application  
to your favorite BBS. Companies who sell diskettes, or CD-ROMs,  
full of shareware and freeware MAY NOT put this application on  
their disks without first contacting us and receiving permission.

Thank you for taking the time to read this - enjoy!
