

## Peek-a-Boo Registration Information

Peek-a-Boo is "ShareWare with a Kick." It's ShareWare because after using it for a couple weeks, if you find it useful enough to keep using, you are obligated to send in the ShareWare fee of \$15. It has a kick because after you register it, you'll get a personalization code. Once Peek-a-Boo is personalized, you may freely distribute your personalized copy. When somebody else registers a copy that was until then registered to you (ie, you were directly responsible for distributing it to that person), I'll send \$5 to you for helping distribute Peek-a-Boo. People have actually made money by registering Peek-a-Boo!

You can print out a registration form from Peek-a-Boo's About dialog. Just click the "Print Order Form" button, fill in the blanks, and mail it with \$15 to me.

If you can't print out the order form for some reason, please include the following information with your money:

- The name of the previously-registered person
- The ID number of the previously-registered person
- Your name (31 characters or less)
- Your mailing address
- Your phone number (optional)
- An electronic address (optional)
