

## Registration

Sleeper is distributed as shareware. You are welcome to download and try Sleeper free for 30 days, after which time we ask that you pay the \$20.00 registration fee if you continue to use it.

Once you have registered, you will receive full technical support via email or FAX, and notices of updates and bug fixes as soon as they're released. You will also receive a registration code to disable the dialog that reminds you that the shareware evaluation period has expired.

Please be honest and pay for shareware that you use. It's the only way we'll be able to continue to support and improve the product, so your payment does matter!

Cash, check, VISA, MasterCard, American Express, First Virtual and Money Orders can be used for payment. Just click the "Register" button in Sleeper's about box or run the "Register SCS" program that came with Sleeper. Fill in the online registration form and fax, email, or mail it to one of the addresses below. For credit card and First Virtual orders, your number will be encoded so it can be safely transmitted via fax or email.

Use these addresses for registrations only

Email: (Internet) [shareware@kagi.com](mailto:shareware@kagi.com)

Fax: +1 510-652-6589

Mail: Kagi Shareware  
1442-A Walnut Street #392-ST  
Berkeley, California, 94709-1405  
USA

Payments sent via email are processed within 3 to 4 days. Payments sent via mail and fax take up to 10 days (plus transit time for mail). If you provide a correct Internet email address you will receive an email acknowledgement. Otherwise, a registration letter will be sent to you via the postal service.

There are reduced prices for purchasing multiple copies of Sleeper. These prices are automatically computed by the online registration form when you fill in the number of copies. For large purchases, the site license option will allow you to use Sleeper at all your organization's offices within a 100 mile (160 kilometer) radius of each other, while the worldwide license option allows you to use an unlimited number of copies. Again, see the online registration form for pricing of these options.

If you would like to submit a purchase order, please do so directly to St. Clair Software at one of the addresses listed in the Technical Support section.
