```
Kudzu

Color  = Green
Rarity = A/B/UL(R) / RV(R)
Type   = Enchant Land
Cost   = 1GG
Artist = Mark Poole

Text(RV): When target land becomes tapped, it is destroyed. Unless that
          was the last land in play, Kudzu is not discarded; instead the
          player whose land it just destroyed may place it on any other
          land in play.

Text(UL): When target land is tapped, it is destroyed. Unless that was
          the last land in play, Kudzu is not discarded; instead the
          player whose land it just destroyed may place it on another
          land of his or her choice.
