## 1.2 Elven Fortress

Elven Fortress

Color = Green  
 Rarity = FE(C1/C1/C1/C1)  
 Type = Enchantment  
 Cost = G  
 Artist = Mark Poole / Pete Venters / Randy Asplund-Faith / Tom Wanerstrand

NOTE: There are FOUR different artworks for this card.

Text(FE): <1G>: Target blocking creature gets +0/+1 until end of turn.

Flavor Text: "Thallids are not ordinary enemies of flesh and bone and reason. They attack with no thought for our strength or of their own losses. I fear our Fortresses shall be overwhelmed."  
 ---Kyliki of Havenwood

Flavor Text: Many Elven Fortresses weren't built by masons and carpenters, but created from the living forest itself.

Flavor Text: "The size of the obvious Fortress walls often misled foes. Actually, the Elves enchanted the forest itself to provide the first line of defense with tangling vines and stinging thorns."  
 ---Sarpadian Empires, vol. III

Flavor Text: "Burn it down, you say? Now there's a stupid idea. What do you suppose will become of those overhanging branches, hmm? And then what do you suppose will become of us?"  
 --- Ivra Jursdotter

NO RULINGS

## 1.3 Elvish Farmer

Elvish Farmer

Color = Green  
 Rarity = FE(U1)  
 Type = Summon Elf (0/2)  
 Cost = 1G  
 Artist = Richard Kane Ferguson

Text(FE): During your upkeep, put a spore counter on Elvish Farmer.  
 <0>: Remove three spore counters from Elvish Farmer to put a Saproling token into play. Treat this token as a 1/1 green creature.  
 <0>: Sacrifice a Saproling to gain 2 life.

Rulings

## 1.4 Elvish Hunter

Elvish Hunter

Color = Green  
Rarity = FE(C1/C1/C1)  
Type = Summon Elf (1/1)  
Cost = 1G  
Artist = Anson Maddocks / Mark Poole / Susan van Camp

NOTE: There are THREE different artworks for this card.

Text(FE): <1GT>: Target creature does not untap as normal during its controller's next untap phase.

Flavor Text: "As the climate cooled, many Elves turned to Thallid farming for food, while the Hunters honed their skills on what little game remained."  
---Sarpadian Empires, vol. III

Flavor Text: "Elves often tipped their arrows with a drug that caused a deep but harmless sleep."  
---Sarpadian Empires, vol. III

Flavor Text: The Elves never had a standing army; when battle came, they pressed Hunters, Scouts, and Farmers into a surprisingly effective militia.

NO RULINGS

## 1.5 Elvish Scout

Elvish Scout

Color = Green  
Rarity = FE(C1/C1/C1)  
Type = Summon Elf (1/1)  
Cost = G  
Artist = Christopher Rush / Mark Poole / Pete Venters

NOTE: There are THREE different artworks for this card.

Text(FE): <GT>: Untap a target attacking creature you control. That creature neither receives nor deals damage during combat this turn.

Flavor Text: Although the Elves of Havenwood lived in isolated villages, their swift communications allowed them to act as a single community.

Flavor Text: Even one whose ears were closely tuned to the sounds of Havenwood could miss hearing a Scout move past.

Flavor Text: "Even for Elves, they were stealthy little twerps. They'd

---

taken our measure before we'd even seen them."  
---Marshall Volnikov

Rulings

## 1.6 Feral Thallid

Feral Thallid

Color = Green  
Rarity = FE(U3)  
Type = Summon Fungus (6/3)  
Cost = 3GGG  
Artist = Rob Alexander

Text (FE): During your upkeep, put a spore counter on Feral Thallid.  
<0>: Remove three spore counters from Feral Thallid to regenerate it.

Flavor Text: "Born and bred of fungus, Thallids were nearly impossible to kill."  
---Sarpadian Empires, vol. I

NO RULINGS

## 1.7 Fungal Bloom

Fungal Bloom

Color = Green  
Rarity = FE(U1)  
Type = Enchantment  
Cost = GG  
Artist = Daniel Gelon

Text (FE): <GG>: Put a spore counter on a target Fungus.

Flavor Text: "Thallids could absorb energy from the forest itself. Even Elves were at a disadvantage in fighting them."  
---Sarpadian Empires, vol. III

NO RULINGS

## 1.8 Night Soil

Night Soil

Color = Green  
Rarity = FE(C1/C1/C1)  
Type = Enchantment

---

Cost = GG  
Artist = Drew Tucker / Heather Hudson / Sandra Everingham

NOTE: There are THREE different artworks for this card.

Text (FE): <1>: Remove two creatures in any graveyard from the game to put a Saproling token into play. Treat this token as a 1/1 green creature.

Flavor Text: "There were often more Thallids after a battle than before."  
---Sarpadian Empires, vol. III

Flavor Text: The Elves gathered huge piles of rot to grow fungus. Out of imitation or forethought, the Thallids did the same.

Flavor Text: Some said killing the Thallids only encouraged them.

Rulings

## 1.9 Spore Cloud

Spore Cloud

Color = Green  
Rarity = FE (C1/C1/C1)  
Type = Instant  
Cost = 1GG  
Artist = Amy Weber / Jesper Myrfors / Susan van Camp

NOTE: There are THREE different artworks for this card.

Text (FE): Tap all blocking creatures. No creatures deal damage in combat this turn. Neither attacking nor blocking creatures untap as normal during their controller's next untap phase.

Rulings

## 1.10 Spore Flower

Spore Flower

Color = Green  
Rarity = FE (U3)  
Type = Summon Fungus (0/1)  
Cost = GG  
Artist = Margaret Organ-Kean

Text (FE): During your upkeep, put a spore counter on Spore Flower.  
<0>: Remove three spore counters from Spore Flower.  
No creatures deal damage in combat this turn.

NO RULINGS

## 1.11 Thallid

Thallid

Color = Green  
Rarity = FE(C1/C1/C1/C1)  
Type = Summon Fungus (1/1)  
Cost = G  
Artist = Daniel Gelon / Edward Beard Jr. / Jesper Myrfors / Ron Spencer

NOTE: There are FOUR different artworks for this card.

Text (FE): During your upkeep, put a spore counter on Thallid.  
<0>: Remove three spore counters from Thallid to put a Saproling token into play. Treat this token as a 1/1 green creature.

Rulings

## 1.12 Thallid Devourer

Thallid Devourer

Color = Green  
Rarity = FE(U3)  
Type = Summon Fungus (2/2)  
Cost = 1GG  
Artist = Ron Spencer

Text (FE): During your upkeep, put a spore counter on Thallid Devourer.  
<0>: Remove three spore counters from Thallid Devourer to put a Saproling token into play. Treat this token as a 1/1 green creature.  
<0>: Sacrifice a Saproling to give Thallid Devourer +1/+2 until end of turn.

Rulings

## 1.13 Thelon's Chant

Thelon's Chant

Color = Green  
Rarity = FE(U3)  
Type = Enchantment  
Cost = 1GG  
Artist = Melissa Benson

Text (FE): During your upkeep, pay <G> or bury Thelon's Chant. Whenever a

---

player puts a swamp into play, Thelon's Chant deals 3 damage to him unless that player puts a -1/-1 counter on a target creature he or she controls.

Rulings

## 1.14 Thelon's Curse

Thelon's Curse

Color = Green  
Rarity = FE(U1)  
Type = Enchantment  
Cost = GG  
Artist = Pete Venters

Text (FE): Blue creatures do not untap as normal during their controller's untap phase. During his or her upkeep, a blue creature's controller may pay an additional <U> to untap it. Each creature may be untapped in this way only once per turn.

Rulings

## 1.15 Thelonite Druid

Thelonite Druid

Color = Green  
Rarity = FE(U3)  
Type = Summon Cleric (1/1)  
Cost = 2G  
Artist = Margaret Organ-Kean

Text (FE): <1GT>: Sacrifice a creature to turn all your forests into 2/3 creatures until end of turn. The forests still count as lands but may not be tapped for mana if they were brought into play this turn.

Flavor Text: "The magic at the heart of all living things  
can bear awe-inspiring fruit."  
---Kolevi of Havenwood, Elder Druid

Rulings

## 1.16 Thelonite Monk

Thelonite Monk

Color = Green  
Rarity = FE(U1)

---

Type = Summon Cleric (1/2)  
Cost = 2GG  
Artist = Bryon Wackwitz

Text (FE): <T>: Sacrifice a green creature to turn a target land into a basic forest. Mark changed land with a counter.

Flavor Text: "As the climate worsened, some Thelonites turned to fertilizing with fresh blood in an attempt to keep Havenwood alive and growing."  
---Sarpadian Empires, vol. III

Rulings

## 1.17 Thorn Thallid

Thorn Thallid

Color = Green  
Rarity = FE (C1/C1/C1/C1)  
Type = Summon Fungus (2/2)  
Cost = 1GG  
Artist = Daniel Gelon / Heather Hudson / Jesper Myrfors / Mark Tedin

NOTE: There are FOUR different artworks for this card.

Text (FE): During your upkeep, put a spore counter on Thorn Thallid.  
<0>: Remove three spore counters from Thorn Thallid to have it deal 1 damage to any target.

Flavor Text: "The danger in cultivating massive plants caught the Elves by surprise."  
---Sarpadian Empires, vol. III

Flavor Text: "The cooling climate forced the Elves to experiment with new food sources."  
---Sarpadian Empires, vol. I

Flavor Text: "I don't know which is worse, getting hit with those darts or having to watch them grow back."  
---Orcish Soldier

Flavor Text: "Scholars still debate whether the Thallids were truly sentient."  
---Sarpadian Empires, vol. III

NO RULINGS
