Contents

Options

Full Size

When checked, cats appear upto full size.
If cats move too slowly you should uncheck this option.

Randomize

When checked, cats appear in random order, size and location on the screen.

Password Protection

This option is available in the FULL version.

Uninstalling

To uninstall, remove these files from your windows directory:

CATMOVES.SCR
CATMOVES.INI
CATMOVES.HLP

And, remove all files from and then remove the directory you installed the cat files to. The default was C:\CATMOVES.

Registering

What you get:

Over 15 video clips (AVI files) of cats in motion.

Password Protection enabled.

No more annoying messages to register.

How:

Send your **NAME** and **ADDRESS** along with a check for **$15.00** to

Carnivorous Creations
P.O. Box 720366
Dallas, TX 75372

Please specify 3.5 or 5.25 floppies.
