Need Windows consulting?

Overview

FindRGB is a **graphic SHAREWARE windows util.** that lets you **match the colors you like** and find what RGB combination makes them.

FindRGB lets you **choose from a color palate** or you can **create your own colors** using the scroll bars .

You can choose the color you like as a background color, and than match another color as a foreground color, and see how they look together **right away**.

FindRGB is a **MUST HAVE tool** for anyone who designs and write user interfaces and deals with graphic elements programming, **FindRGB saves those HUGE amount of hours** trying to find the right color and match the colors together.

FindRGB application has a **very intuitive and simple to operate user interface, yet a very powerful one** that lets any user novice to guru use the program in just a meter of seconds, just run it and match the colors...

How To Use FindRGB

FindRGB lets you **choose from a color palate** (the one in the bottom of the screen) by clicking the mouse on one of the colors there, or you can **create your own** colors using the scroll bars (one for the Red, one for Green and the 3rd for Blue).

You can choose the color you like as a background color, and than match another color as a foreground color, and see how they look together **right away**.

You can switch between modifying the background color and the foreground color by clicking on the Background or the Foreground radio buttons in the target group on the top left side in the applications window.

The values for the RGB intensity are on the left side of each scroll bar.

Why and how to register

Simply fill up the ORDER.TXT file and send it with the registration fee.

Registering brings with it a number of advantages.

- o All the Unregistered Copy notice will no longer appear.
- o You will receive a manual.
- o Next major version is sent automatically when it becomes available.
- o If you supplied an E-Mail account a notice for each version release will be sent to you.
- o You will have FREE technical support should you have any problems.
- o Your support will encourage me to continue to improve the product FindRGB
- o You will have the knowledge that you personally helped a fledgling software developer and furthered the SHAREWARE concept.
- o As I see it, by using this FindRGB software you are saving yourself a lot of trail and error hours trying to Find the colors you like and match them together. so this small registration fee is really a small one to pay comparing to the benefits that the product FindRGB brings you.

So make sure you complete the registration form (ORDER.TXT) as completely as possible and sent it.

CompuServe Registration: To have the registration fee added to your CompuServe bill type GO SWREG and at the ! prompt follow the menus. FindRGB registration id is 6316

Mail Registration:

For your ease here is a copy of the file **ORDER.TXT**

FindRGB For Windows
Version 1.0
License Agreement
Effective Jun. 1st 1995

License Agreement

The use of FindRGB is subject to the following terms and conditions.

Title To The Licensed Software

Title to the licensed software is NOT transferred or sold to the end user. The end user is granted a non-exclusive license to use the software on a SINGLE computer or computer work station. EACH computer or computer work station must have its own licensed copy of the software.

Copyright Protection

FindRGB is copyrighted material. It is protected by the copyright laws of the United States, the State of California, and other proprietary rights of Yonat Dascalu. You may not make any changes or modifications to FindRGB or this manual. You may not decompile, disassemble, or otherwise reverse-engineer the software in any way.

You may make copies of FindRGB only under the terms of the section entitled "Limited License To Copy The Licensed Software".

You may use FindRGB on a thirty (30) day trial basis only, provided you do not violate the protection afforded the licensed software by the copyright laws, and you agree to the terms of the license agreement.

If you use FindRGB past the 30 day evaluation period you are required to purchase it by paying the registration fee.

Limited Warranty

Yonat Dascalu does not warrant that the licensed software will meet your requirements or that the operation of the software will be uninterrupted or error free. The warranty does not cover any media or documentation which has been subjected to damage or abuse by you or others.

The software warranty does not cover any copy of the licensed software which has been altered or changed in any way. In other words, there is no warranty either implied or expressed.

ANY IMPLIED WARRANTIES INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED TO THE TERM OF THE EXPRESS WARRANTIES. Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

Other Warranties

The warranties set forth above are in lieu of any and all other express or implied warranties, whether oral, written, or implied, and the remedies set forth above are the sole and exclusive remedies.

Limitation Of Liability

Yonat Dascalu is not responsible nor liable in anyway for any problems or damage caused by the licensed software that may result from using the licensed software. This includes, but is not limited to, computer hardware, computer software, operating systems, and any computer or computing accessories. End user agrees to hold Yonat Dascalu harmless for any problems arising from the use of the software.

Yonat Dascalu SHALL NOT IN ANY CASE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, INDIRECT OR OTHER SIMILAR DAMAGES ARISING FROM ANY BREACH OF THESE WARRANTIES EVEN IF Yonat Dascalu OR ITS AGENTS OR DISTRIBUTORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF ISRAEL AND SHALL INURE TO THE BENEFIT OF Yonat Dascalu AND ANY SUCCESSORS, ADMINISTRATORS, HEIRS, AND ASSIGNS. ANY ACTION OR PROCEEDING BROUGHT BY EITHER PARTY AGAINST THE OTHER ARISING OUT OR RELATED TO THIS AGREEMENT SHALL BE BROUGHT ONLY IN ISRAEL.

In no case shall Yonat Dascalu's liability exceed the license fees paid for the right to use the licensed software, or a sum no greater than one Dollar (\$1.00), whichever is less.

Limited License To Copy The Software

You are granted a limited license to copy FindRGB ONLY FOR THE TRIAL USE OF OTHERS subject to the terms of this software license agreement described herein, and that the conditions described below are met.

-> No fee, charge or other compensation may be accepted or requested by anyone without the express written permission of Yonat Dascalu.

-> Public Domain Disk Vendors May NOT CHARGE a fee for the FindRGB itself. However you may include FindRGB on a diskette/CD-ROM for which you charge a nominal distribution fee. The purchaser of said diskette must be informed in advance that the fee paid to acquire the diskette does NOT relieve said purchaser from paying the Registration Fee for FindRGB if said purchaser uses FindRGB.

-> The statement of SHAREWARE registration requirements MUST be printed on a label, or other form, that is directly attached to the distribution media.

-> Operators of electronic bulletin board systems (Sysops) may post FindRGB for downloading by their users without written permission ONLY AS LONG AS THE ABOVE CONDITIONS ARE MET. A fee may be charged for access to the BBS AS LONG AS NO SPECIFIC FEE IS CHARGED FOR DOWNLOADING FindRGB files without first obtaining the express written permission from Yonat Dascalu to charge such a fee.

Evaluation and Registration

This is not free software. This license allows you to use this software for evaluation purposes without charge for a period of 30 days. If you use this software after the 30 day evaluation period a registration fee of 29 US Dollars is required. Payment can be in Cash, money order, checks Payments in checks must be in US dollars drawn on a US bank or

Israeli shekels, cash payment can be in any currency. Payments should be sent to:

Yonat Dascalu
10 Azmout Street
Ness-Ziona 74010
ISRAEL

Quantity discounts are available, as described in the section Ordering Information/Order Form. When payment is received you will be sent a registration key to remove all unregistered messages and documentation and the next version of FindRGB.

One registered copy of FindRGB may either be used by a single person who uses the software personally on one or more computers, or installed on a single workstation used non simultaneously by multiple people, but not both.

You may access the registered version of FindRGB through a network, provided that you have obtained individual licenses for the software covering all workstations that will access the software through the network.

Exit

Exit allows you to exit FindRGB.

To exit FindRGB:

Select the **Exit** option from the File menu.

Help

Help allows you to get help on using FindRGB FindRGB.
