

Pie Chart Example

FILE: Pie.cln

Introduction

This file contains samplers for the Pie Chart, it is not a definitive list, only a few simple examples.

To View the Charts Select Scale on the Settings menu and select Scale to Fit.

Copying the Charts

To use one of these charts as a base for your own chart:

- ▶ Switch to Edit Mode
- ▶ Click on the chart to select it
- ▶ Select Copy (in Edit Mode this copies the whole object)
- ▶ Switch to your own sheet
- ▶ Select Paste
- ▶ Move the chart to where you want it and plumb it in
