Segment Chart Example

FILE: Segment.cln

Introduction

These are a few examples of the possible Segment Chart styles.

To View the Charts Select <u>Scale</u> on the Settings menu and select Scale to Fit.

Copying the Charts

To use one of these charts as a base for your own chart:
- ▶ Switch to <u>Edit Mode</u>
- ▶ Click on the chart to select it
- ▶ Select Copy (in Edit Mode this copies the whole object)
- ▶ Switch to your own sheet
- ▶ Select Paste
- ▶ Move the chart to where you want it and plumb it in
