ORDERING INSTRUCTIONS & OPTIONS

1. While the ordering instructions and prices provided here are for orders sent to **Translation Experts USA** (United States), you may also order **Word Translator™** software from Translation Experts, Ltd. (Great Britain) or any of the other listed Authorized Distributors. Orders placed with Translation Experts USA are payable in US Dollars. **Only** Translation Experts USA (United States) accepts Visa or MasterCard payment. Orders placed with Translation Experts, Ltd. (Great Britain) are payable in Pounds Sterling (GBP) converted from US Dollars at the current exchange rate. Prices and software specifications may vary with other Authorized Distributors. Please contact them **directly** for prices, acceptable currency, payment and other specific ordering information. For more information about ordering from Translation Experts, Ltd. (Great Britain), contact **Translation Experts Limited, 2 Laverton Place, London SW5 OHJ, Great Britain, Fax: +44-(0)171-244-8397**.
2. **One Word Translator™ program is included in the price of each dictionary ordered.** Please CLEARLY specify on the order form whether you are ordering Word Translator™ for Windows or Word Translator™ for DOS. 3 1/2-inch, high density (HD) disks will be sent unless you **specifically** request **another** format. There is an additional charge of \$10.00 for formats other than 3 1/2-inch HD disks. Some language versions of Word Translator for Windows will **ONLY** fit on 3 1/2-inch HD disks.
3. Multiple language (dictionary module) orders will be shipped on **separate** installation disks.
4. III-sized dictionary modules contain all the entries contained in the I and II-sized dictionary modules plus more. Likewise, II-sized dictionary modules contain all the entries contained in the I-sized dictionary modules plus more. For those languages containing **more** than a **single-sized** dictionary module, all smaller-sized dictionary modules are created from the **largest** available dictionary module for that language. The I, II and/or III-size designations only reflect dictionary modules with a different number of entries. You do **not** need to order all three dictionary modules but only the largest size you feel you need or require.
5. The \$5.00 Shipping & Handling charge is **applicable to all US orders no matter** if your order is mailed, shipped via air express or by other special means. No additional handling charges are included for orders shipped to addresses in the United States, Canada or Mexico, however, all special shipping must be **prepaid** with your order. For shipping & handling to addressees **outside** the United States, Canada and Mexico, please include **\$12.00** for Shipping and Handling via Air Mail delivery. Express Mail delivery (US **only**) is available **starting at** approximately \$15.00. Please contact Translation Experts for other shipping and delivery options.
6. Translation Experts USA uses **Federal Express Priority Overnight Service** (no Saturday/weekend delivery) exclusively for **all** air express shipments. Delivery can be made **ONLY** to a **street address**, not to post office boxes or other such locations. Your area code and phone number are **required** for air express shipments. If you want your order shipped via air express, please use the table below to determine the amount you should add to cover FedEx air express costs.

The Air Express shipping table below reflects only the **average** shipping weight. Shipments to addresses outside the United States may be subject to import duties and taxes. Any such duties and taxes will be payable by the recipient at the time of delivery. The following table is effective as of February, 1995 and is provided as a **general guideline only**. Federal Express prices and delivery specifications are subject to change without notice. The shipping weight of most single dictionaries is one pound. To be sure you include the correct amount for air express delivery, you should contact Federal Express **directly** and request the price of delivery to you of a **one pound Priority Overnight Service "FEDEX PAK"** from Denver, Colorado, USA to your address.

* = Total approximate number of "base word/phrase" entries of the combined "paired" dictionary modules. This number does **not** include the number of translation(s) for each "base word/phrase," consequently, the **total number of WORDS** contained in any combined "paired" dictionary module is more than double if not 2½ to 3 times the number of listed "base word/phrase" entries. Installed MB sizes are rounded off to the nearest tenth. Translation Experts allows a "trade-in" of smaller-sized dictionaries for larger-sized dictionaries. Just send your original, smaller-sized dictionary disks to Translation Experts for a credit of the full purchase price which will be deducted from the price of a larger-sized dictionary. All you pay is the difference in price between the two dictionaries.

Translation Experts' CP 1250, CP 1251 and Japanese Hiragana and Katakana TrueType fonts are available separately. Individual fonts will allow you to type in both English and either Russian, Ukrainian, Polish, Czech, Slovak, Hungarian, Romanian, Bulgarian, Serbian Latin, Serbian Cyrillic, Slovenian, Macedonian or Japanese Hiragana & Katakana. @ US\$ 69.95 each.

We hope to be able to add **to/from English and** European Portuguese, Japanese, Czech, Finnish, Swedish, Slovene, Hungarian, Vietnamese and other languages for Word Translator *for Windows* later in 1995. Please call, fax or email for availability and price(s).
