Total   _____

Your return shipping address:

* A site is not the same as a company. A company with several sites needs a site license for each physical site.

Once you have been registered you will be sent a copy of the latest build of NTRemote. You will also receive notification of new versions of NTRemote as well as any future Techsys Computing releases.

Now we would like to know a few things about how you are going to use NTRemote.

Please describe how you are using NTRemote:

If this is a site license, how many machines is the NTRemote Service going to be installed on:

How many machines are going to receive the NTRemote client application:

How could we make NTRemote better:

What other services would you like to see from Techsys Computing:

Thank you for making the shareware distribution channel work.
