

Chores & Rewards (unregistered version)

System Requirements

Chores & Rewards requires the following system configuration and hardware:

- MS/Windows 3.0 or higher
- EGA monitor or better
- 270K of uncompressed hard drive space

Installation Instructions

Chores & Rewards may be installed as follows:

1. Create a C:\CHORES directory.
2. Copy the disk files to the C:\CHORES directory
3. Create a Program Item in the desired Window as follows:
 - 3.1 Click FILE and then click NEW
 - 3.2 Click Program Item and then OK.
 - 3.3 Enter Program Item data:

Description:	Chores & Rewards
Command Line:	C:\CHORES\CHORES.EXE
Working Directory:	C:\CHORES
 - 3.4 Click OK

Installation is now complete. You may double-click the Chores & Rewards icon to start.

All documentation is available via HELP button or F1 key. It is highly advisable to at least read the Overview sections before attempting to use the system.

Happy Choring!
