Questionnaire

These questions are entirely optional, but can help fine tune new releases to your requirements.

Where did you obtain this program?

Your Computer: Processor & Speed:
Size of Hard Disk:
Which versions of DOS & Windows or OS/2 do you use?
Do you use the Large Fonts option of your SVGA card?

Shareware: Have you ever registered any other Shareware programs?
If you have, which ones?

Communications: If you have a MODEM, which BBS do you most commonly call?

Testing: Often before the release of a major new version, I ask a few existing users to try it out.
Would you be prepared to do this?

Work: What is your occupation?

Organiser: Have you any suggestions for new features or changes to existing parts of the program?

Problems: Did you experience any problems which were not covered in the help topics?

Any other comments, suggestions or observations?

Before you send off the registration, please check...

1: Your cheque is payable to "N Gorin", and not any other name. Please check the date on your cheque is correct.

2: You have indicated which size of disk you require.

3: You have added sufficient postage, if you live outside the Uk.

If you have done all the above, please send this form with cheque to:
